Announcements for job openings with the County may include, but not be limited to advertisements in local newspapers, registration with the Texas Workforce Commission, or postings on HOPKINS County Courthouse bulletin boards. Each official having a job opening shall be responsible for determining how that opening will be announced.

Each elected or appointed official, or his/her designee, shall be responsible for selecting the applicant who he/she feels best meets the qualifications for an open position in his/her department.

The Administration office should be notified of who is hired, the starting date, hourly pay rate and provided with the original employment application. The employee should report to the Administration office for processing before reporting to work.

EMPLOYMENT AT-WILL

All employment with Hopkins County shall be considered "at will" employment. No contract of employment shall exist between any individual and Hopkins County for any duration, either specified or unspecified. No provision of this employee handbook shall be construed as modifying your employment at will status.

Hopkins County shall have the right to terminate the employment of any employee for any legal reason, or no reason, at any time either with or without notice.

Hopkins County shall also have the right to change any condition, benefit, policy, or privilege of employment at any time, with or without notice. Employees of Hopkins County shall have the right to leave their employment with the County at any time, with or without notice.

EMPLOYEE STATUS POLICY

Each county position has an employee status that identifies how the position is paid and how benefits are granted by Commissioners Court. This policy defines both health insurance and retirement benefits. The status of an employee cannot be changed without the approval of the Commissioners Court. Full time employees will be eligible for health insurance. All other classifications must be included in the county initial and/or standard measurement periods for the Affordable Care Act.

Regular Full Time: A full time employee shall be any employee in a position who has a normal work schedule of at least thirty (30) hours per week. Full time employees are eligible for county health insurance and retirement benefits. Other county policies will dictate eligibility for other benefits. Employees may be

non-exempt, hourly employees or exempt employees. Non-exempt employees are eligible for overtime compensation. Exempt employees are not eligible for overtime compensation. Hopkins County makes exempt status determination based on the Fair Labor Standards Act.

Regular Part Time: A part time employee shall be any employee in a position who has a normal work schedule of less than thirty (30) hours per week. All regular part time employees must be placed on TCDRS retirement regardless of the number of hours worked per week. Other county policies will dictate eligibility for other benefits.

Temporary Seasonal: A seasonal employee shall be any employee who is hired into a position that lasts six (6) or less months and begins at approximately the same time each year. Examples may include, but are not limited to, lifeguards, summer mowers, and election workers. The county must define and document the season that the employee is being hired for. Seasonal employees can be either part time or full time, and they **(do not)** qualify for health insurance through the county under the Affordable Care Act. Temporary seasonal employees are not eligible for retirement benefits under TCDRS. Other county policies will dictate eligibility for other benefits.

Regular Variable Hour: A variable hour employee shall be any employee for whom the county cannot determine the average amount of hours that the employee will work each week – hours are variable or indeterminate at the time of the employee's start date. If the employee works an average of thirty (30) or more hours a week in the measurement period, the employee will be eligible for health insurance through the county under the Affordable Care Act. If an employee's schedule becomes regular, then the employee shall be reclassified as full or part time depending on the hours worked. Regular variable hour employees are eligible for retirement benefits under TCDRS. Other county policies will dictate eligibility for other benefits.

Temporary Part Time: A temporary short term part time employee shall be any employee who is expected to work less than thirty (30) hours each week in a position that is expected to last for a specific period of time or until a specific project is completed, but no longer than 12 months. If this project goes beyond 12 months, the employee will move into a regular part time status. Temporary short term part time employees are not entitled to any benefits under the Affordable Care Act and are also not eligible for retirement benefits under TCDRS. Other county policies will dictate eligibility for other benefits.

Hopkins County is committed to a workplace free of harassment. Harassment includes unlawful, unwelcome words, acts or displays based on sex, race, color, religion, national origin, age, genetic information, pregnancy, disability, family or military leave status or veteran's status. Such conduct becomes harassment when (1) the submission to the conduct is made a condition of employment; (2) the submission to, or rejection of, the conduct is used as the basis for an employment decision; or (3) the conduct creates an offensive, intimidating or hostile working environment or interferes with work performance.

Harassment is strictly prohibited by Hopkins County whether committed by an elected official, appointed official, department head, co-worker or non-employee with whom the county does business.

Employees who feel they have been harassed should immediately report the situation in writing to the elected or appointed official who is responsible for the department in which they work. Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

Employees who feel they have been subjected to illegal retaliation should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the retaliation to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Remedial action will be taken in accordance with the circumstances when the county determines unlawful harassment or retaliation has occurred, up to and including termination.

SEXUAL HARASSMENT

Sexual harassment is strictly prohibited by Hopkins County, whether committed by elected official, appointed official, department head, co-worker or non-employee the county does business with. It is the policy of Hopkins County to provide a work place free from sexual harassment for all employees and to take active steps to eliminate any sexual harassment of which the County becomes aware.

Employees engaging in sexual harassment shall be subject to discipline, up to and including termination of employment. Sexual harassment shall include, but not be limited to, unwanted sexual advances, requests for sexual favors, and other verbal, non-verbal or physical conduct of a sexual nature, which includes slurs, jokes, statements, gestures, touching, pictures, emails or cartoons where: (1) the submission to such conduct is either an expressed or implied condition of employment; or (2) the submission to or rejection of such conduct is used as a basis for an employment decision affecting the harassed person; or (3) the conduct has the purpose or effect of substantially interfering with an affected person's work performance or creating an intimidating, hostile, or offensive work environment.

All claims of sexual harassment shall be taken seriously and investigated promptly and thoroughly. While all claims of sexual harassment shall be handled with discretion, there can be no complete assurance of full confidentiality.

Employees who feel they have been sexually harassed should immediately report the situation in writing to the elected or appointed official who is

responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

Use the following procedures so that your complaint maybe resolved quickly and fairly.

- a. When practical, confront the harasser and ask them to stop the unwanted behavior.
- b. Record the time, place and specifics of each incident, including any witnesses.
- c. Report continuing sexual harassment to the Elected Official or Appointed Official who is responsible for your department or to the County Judge or the County Attorney.
- d. If a thorough investigation reveals that unlawful sexual harassment has occurred, Hopkins County will take effective remedial action in accordance with the circumstances, up to and including termination.

Retaliation against an employee who reports sexual harassment or who cooperates as a witness in the investigation is prohibited by law as well as this policy.

Employees who feel they have been subjected to illegal retaliation should immediately report the situation in writing to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the retaliation to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Reporting or failing to report claims in accordance with the procedure given in this policy shall not limit other legal recourse an employee may have in regard to sexual harassment charges.

POLITICAL ACTIVITY

Employees of Hopkins County shall have the right to support candidates of their choice and to engage in political activity during their personal time.

County employees shall not: 1) Use their official authority or influence to interfere with or affect the result of any election or nomination for office; 2) Directly or indirectly coerce, attempt to coerce, command, or advise another person to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for a political reason; or 3) Use any equipment, property or material owned by the County for political activity or engage in political activity while on duty for the County.

OUTSIDE EMPLOYMENT

Hopkins County employees are expected to give their full and undivided attention to their job duties. They should not use Hopkins County facilities or equipment or their association with Hopkins County to carry on a private business or profession. Unless express approval is obtained in advance and in writing from their immediate supervisor, county employees should not engage in a profit-making business nor become involved with a non-profit organization outside of their employment with Hopkins County that interferes with the employee's assigned duties with Hopkins County.

Employees are prohibited from working second jobs while on any type of leave (other than vacation and or compensatory time).

UNPAID BREAKS

The Patient Protection and Affordable Care Act amended the Fair Labor Standards Act to require reasonable breaks for nursing mothers to express breast milk during the first year following the birth of a child.

Hopkins County will provide nursing mothers with unpaid reasonable breaks, as frequent as required by the mother, to express breast milk. The mother will be given a private location, other than a bathroom. The location will be shielded from view and free from intrusion and appropriate for expressing breast milk. The specific location will be determined on a case by case basis.

Hopkins County does not allow any retaliation against nursing mothers for asking for this break. Nursing mothers are entitled to this break for 1 year following the birth of their child.

All other employee breaks are determined by each department head and are not required to be given. If your department provides you with a break, they may not be accumulated or used for time off. The Fair Labor Standards Act does not require any breaks other than for nursing mothers, however if paid breaks are provided for employees, nursing mothers must be given the same amount of paid break time.

GRIEVANCES

Any employee having a grievance related to his/her job should discuss the grievance with his/her immediate supervisor.

If the discussion with the immediate supervisor does not resolve the grievance, and, if the immediate supervisor is not the elected or appointed official with final responsibility for the employee's department, the employee shall have the right to discuss the grievance with that official.

The decision of the elected or appointed official with final responsibility for the employee's department shall be final in all grievances.

DISCIPLINE

Each supervisor shall have the authority to administer discipline to employees in their department for poor performance, violation of policies, disruptive behavior, or any other behavior or activity which the supervisor feels is not acceptable as it relates to the employee's job or the best interest of the department or County.

Depending on the severity of the situation, discipline may range from informal counseling up to and including immediate termination.

All County employees are "at will" employees and nothing in this policy gives an employee any contract of employment, guarantee of any duration of employment, or any other property interest in his/her job.

Hopkins County retains the right to terminate the employment of any individual at any time for any legal reason, or no reason, with or without notice. The County also retains the right to change any condition, benefit, privilege, or policy of employment at any time, with or without notice.

LICENSE AND CERTIFICATIONS

Hopkins County has many positions that require licenses and certifications. It is the responsibility of each employee to maintain all required licenses and certifications. If an employee is unable to renew or loses a license or certification, they must immediately notify their supervisor. If this license is a requirement for the position, the employee may be demoted, transferred or terminated. Under no circumstances will the employee be allowed to continue in the position where a license or certification is required if failure to have such license or certification is illegal under either Federal or State Law.

If the license is a requirement for the position, the department in which the employee works will pay the licensing fee, whether the employee is full time or part time at the discretion of the elected official or department head.

CLOSINGS AND EMERGENCIES

As a general practice, Hopkins County does not close its operations unless the health, safety, and security of county employees are seriously brought into question. When this happens, either because of severe weather conditions or other emergencies, the County Judge is responsible for initiating the closing. The County Judge will notify the following entities for a public announcement: local public radio or local TV Channel 18. Announcements of an emergency closing will, to the extent possible, specify the starting and ending times of the closing. However, each elected official controls the working hours of their employees, even in an emergency situation.

Many county departments are continuously operating public safety and service departments. Many county personnel will be required to work during emergency closings. Each department head is responsible for designating their own employees and providing alternate information to personnel designated as essential during emergency closings. Public safety will be foremost in the development of departmental emergency action plans.

In an emergency closing all full and scheduled part time employees will receive their regular scheduled hours paid at the employee's base pay rate. No additional hours will be paid to employees who work during hours designed as an emergency by the County Judge.

If an employee takes off due to an emergency when the County Judge has not officially closed the facility or out on leave during a previously scheduled vacation or appointment, the employee will be expected to use accrued vacation or compensatory, sick leave or leave without pay if they do not have vacation or compensatory leave available. Time off for an emergency is paid at the employee's base pay rate at the time of the leave. It does not include overtime or any special forms of compensation. Paid time off for an emergency will not be counted as hours worked for the purposes of determining overtime. Employees must show all leave taken for emergencies on their timesheet as emergency leave.

All Hopkins County employees are covered by workers' compensation coverage while on duty for the County. Workers' compensation coverage pays for medical bills resulting from a covered injury or illness an employee incurs while carrying out the duties of his/her job. Workers' compensation also pays Temporary Income Benefits (TIBS) for time lost from work in excess of seven calendar days as the result of eligible work related injuries or illnesses.

Employees may use paid leave for all workers' compensation time off less than 8 days.

All employees who are placed on Worker's Compensation leave will fall under the Family Medical Leave Act. Hopkins County runs FMLA and Worker's Compensation concurrently.

Any employee who suffers a job related illness or injury is required to notify his/her supervisor as soon as possible. Failure to promptly report job related injuries or illnesses may affect an employee's eligibility for benefits or delay benefit payments.

An employee who has lost time because of a work related accident or illness is required to provide a release from the attending physician before being allowed to return to work.

An employee's workers' compensation benefits may be adversely affected if the employee is injured while under the influence of alcohol or drugs or while the employee is engaging in horseplay.

RETURN TO WORK

This policy covers employees who are on leave due to a work-related injury or illness. Because employees are our most valuable resource, Hopkins County attempts to help employees return to work as soon as possible.

An employee on leave due to a work related injury or illness may return to work only when Hopkins County receives a medical release from the treating doctor. It is a violation of County policy for any employee receiving worker's compensation benefits of any kind to be employed with a third party on a full-time or part-time basis. Violation of this policy may result in termination.

Return to work options:

- Return to prior position at full duty with doctor release stating that the injured employee can perform the job functions without restrictions.
 - Light Duty – for any employee who is not able to return to their prior position and perform the regular duties of that job but can return with certain
 - restrictions, Hopkins County will try to accommodate light duty when possible but **cannot guarantee** the availability of light duty.

Employees on light duty are not guaranteed the rate of pay they received for the position they held at the time of injury or illness. The pay rate for light duty is based on the knowledge skills and abilities required for that job, as well as general market conditions. Employees in a light duty position are not permitted to supplement their workers' compensation benefits by using their vacation, holiday, compensatory or sick leave.

Four (4) week limit - Light duty assignments are **temporary** arrangements intended to complement and facilitate the healing process. Light duty may be initially offered for a period of four (4) weeks and then will be reviewed and evaluated by the supervisor based, in part, on the recommendation of the physician (unless FMLA time is still available).

Employee refusal of work - In the event an employee refuses to return to regular or light duty work in response to a written, bona fide offer of employment by Hopkins County, the employee may be separated from employment with Hopkins County subject to FMLA qualification and his/her position may be filled permanently. A written, bona fide offer of employment must clearly state:

- The position offered and the duties of the position
- Hopkins County's agreement to meet the conditions set out by the treating doctor
- The job's wage, working hours and location.

Medical Information

All employees' medical information is held in strict confidence in accordance with the Americans with Disabilities Act Amendments Act (ADAAA). Medical inquiries are limited to those permitted under Texas Workers' Compensation Statute and applicable federal law.

Coordination with FMLA

Nothing in this policy should be construed as denying employees their rights under the Family Medical Leave Act (FMLA) or any other federal or state law. It is Hopkins County's policy to designate an employee's leave due to a work-related injury or illness as FMLA, if eligible. Hopkins County counts the period of any employee's light duty assignment toward the employee's FMLA entitlement.

Until employees have exhausted their twelve (12) week FMLA entitlement, they have the right to be reinstated to their original job or an equivalent job provided they are able to perform the essential functions of the job.

EMPLOYEE SAFETY

Hopkins County is committed to providing a safe workplace for our employees.

Each County employee must adhere to the general safety standards established for all employees as well as comply with their departmental safety requirements. Safety procedures may differ at each county department. Your supervisor will provide you with specific information pertaining to your position.

Failure to follow the safety standards set by the County or your supervisor subjects an employee to disciplinary action, up to and including termination.

Employees seeing unsafe working conditions shall either take steps to correct those conditions or report the unsafe conditions to their supervisor.

DRUG AND ALCOHOL- ALL EMPLOYEES

Hopkins County is a drug and alcohol free workplace. A county employee may not be present at work during a period the employee's ability to perform his or her duties is impaired by drugs or alcohol. The County believes that a drug and alcohol-free workplace will help ensure a healthy, safe, and secure work environment.

This policy applies to all employees of Hopkins County regardless of rank or position and shall include full time, part time and temporary employees.

The only exception to this policy is the possession of controlled substances by law enforcement personnel as part of their law enforcement duties.

An employee may not unlawfully manufacture, distribute, dispense, possess, sell, purchase, or use a controlled substance or drug paraphernalia on County property or while conducting County business not on County property.

An employee may not be under the influence of alcohol or illegal drugs while on County property or while on duty for the County.

An employee may not possess or use unauthorized prescription or over-the-counter drugs while on County property or while on duty for the County. An employee may not use prescription or over-the-counter drugs while on County property or while on duty for the County, in a manner other than that intended by the manufacturer or prescribed by a physician.

An employee may use prescription and over-the-counter drugs in standard dosage or according to a physician's prescription if the use will not impair the

employee's ability to do his or her job safely and effectively. An employee must keep prescription medications used at work in their original container.

An employee taking prescribed or over-the-counter medications is responsible for consulting the prescribing physician or a pharmacist to determine if the medication could interfere with the safe and effective performance of his or her job duties.

If the use of a medication could compromise an employee's ability to do his or her job or the safety of the employee, fellow employees or the public, the employee must report the condition to his or her supervisor at the start of the workday or used appropriate personnel procedures (e.g., call in sick, use leave, request change of duty, notify company doctor).

A supervisor must treat any information related to an employee's authorized use of prescription medications and any other medical information provided by the employee as confidential information.

An employee having problems with drugs or alcohol is encouraged to seek treatment from a qualified professional. Information on benefits provided for treatment of alcohol and drug abuse problems provided by the County's health plan program is available in the employee's health plan booklet or from the County Administration Office.

Any employee who violates this policy shall be subject to disciplinary measures up to and including termination.

In the event that your supervisor has reasonable suspicion to believe that you have been drinking or using drugs, you will be asked to take a drug test. Refusing to take the test, not cooperating in taking the test and or testing positive will result in your immediate discharge.

DRUG AND ALCOHOL- CDL EMPLOYEES

CDL Drivers are an extremely valuable resource for Hopkins County's business. Their health and safety is a serious County concern. Drug or alcohol use may pose a serious threat to driver health and safety. It is, therefore, the policy of the County to prohibit CDL employees from being under the influence of or using illegal drugs or alcohol during working hours.

The Federal Highway Administration ("FHWA") has issued regulations, which require the County to implement a controlled substance testing program. The County will comply with these. All CDL drivers are advised that remaining drug-free and medically qualified to drive are conditions of continued employment with the County.

Specifically, it is the policy of Hopkins County that the use, sale, purchase, transfer, possession or presence in one's system of any controlled substance (except medically prescribed drugs) or alcohol by any CDL driver while on County premises, engaged in County business, while operating County equipment, or while under the authority of the County is strictly prohibited. Mandatory testing must apply to every person who operates a commercial motor vehicle in interstate or intrastate commerce and is subject to the CDL licensing requirement. Hopkins County will conduct pre-employment, random, reasonable suspicion and post-accident drug testing in accordance with federal law.

It is the policy of Hopkins County to comply with the U.S. Department of Transportation, FMCSA Clearinghouse, a secure online database that provides employers with real-time information about CDL driver drug and alcohol program violations. Hopkins County will conduct both electronic queries and traditional manual queries with previous employers from January 6, 2020 to January 5, 2023 as required by FMCSA's drug and alcohol use testing program, for checking CDL driver violation histories. Drivers may view their own records. Employees will be required to provide a consent form from the CDL holder to conduct both Limited and Specific inquiries.

A detailed policy and procedure is available at the Administration/HR office.

The county will also not tolerate or condone any threats of violence, direct or indirect, this includes jokes. All threats will be taken seriously and will be investigated. If employees believe that a person is violating this policy, they should immediately report to their immediate supervisor or the sheriff's department. Employees found in violation of this policy may be subject to discipline up to and including immediate termination.

Hopkins County recognizes the importance of social media for its employees. However, use of social media by employees may become a problem if: it interferes with the employee's work; is used to harass supervisors, co-workers, customers or vendors; creates a hostile work environment; or harms the goodwill and reputation of Hopkins County among the community at large.

Hopkins County encourages employees to use social media within the parameters of the following guidelines and in a way that does not produce the adverse consequences mentioned above.

Where no policy or guideline exists, employees are expected to use their best judgment and take the most prudent action possible. If you are uncertain about the appropriateness of a social media posting, check with your manager or supervisor.

**SECTION 2:
EMPLOYEE
COMPENSATION AND
BENEFITS**

A. EMPLOYEE PAYROLL

FAIR LABOR STANDARDS ACT SAFE HARBOR

Hopkins County makes every effort to pay its employees correctly. Occasionally, however, inadvertent mistakes can happen. When mistakes do happen and are called to the Administration department's attention, Hopkins County will promptly make any corrections necessary. Please review your pay stub when you receive it to make sure it is correct. If you believe a mistake has occurred or if you have any questions, please use the reporting procedure outlined below. If you are overpaid the county will make the necessary corrections at the next payroll.

Employees who are classified as non-exempt employees must maintain an accurate record of the total hours you work each day. It is the responsibility of each employee to verify that their time sheets are correct. Your time card must accurately reflect all regular and overtime hours worked; any absences, late arrivals, early departures, and meal breaks. Do not sign your time card if it is not accurate. When you receive each pay check, please verify immediately that you were paid correctly for all regular and overtime hours worked each work week.

Non-exempt employees, unless authorized by your supervisor, should not work any hours that are not authorized. Do not start work early, finish work late, work during a meal break, or perform any other extra or overtime work unless you are authorized to do so. That time worked is to be recorded on your time card. Employees are prohibited from performing any "off-the-clock" work. "Off-the-clock" work means work you may perform but fail to report on your time card. Any employee who fails to report or inaccurately reports any hours worked will be subject to disciplinary action, up to and including termination. If anyone directs you to work without documenting your time worked, you must tell Administration /HR department.

It is a violation of Hopkins County policy for any employee to falsify a time card, or to alter another employee's time card. It is also a serious violation of County policy for any employee, supervisor or official to instruct another employee to incorrectly or falsely report hours worked, or to alter another employee's time card to under- or over-report hours worked. If anyone instructs you to (1) incorrectly or falsely under- or over-report your hours worked, or (2) alter another employee's time records to inaccurately or falsely report that employee's hours worked, you should report it immediately to County Administration, 118 Church Street or call 903-438-4009.

If you are classified as an exempt salaried employee, you will receive a salary which is intended to compensate you for all hours worked for the County. This salary will be established at the time of hire or when you become classified as an exempt employee. While it may be subject to review and modification from time to time, the salary will be a pre-determined amount that will not be subject to deductions for variations in the quantity or quality of the work you perform.

For exempt employees, your salary may also be reduced for certain types of deductions such as your portion of health, dental or life premiums; state, federal or local taxes, social security, retirement; or, voluntary contributions to a deferred compensation plan. In any workweek in which you performed any work, your wages may be reduced for any of the following reasons: 1) absence from work for one or more full days for personal reasons, other than sickness or disability; or 2) full day disciplinary suspensions for infractions of our written policies and procedures; or 3) full day for violating safety rules of a major significance; or 4) Family and Medical Leave or Military Leave absences; or 5) to offset amounts received as payment for jury and witness fees or military pay; or 6) the first or last week of employment in the event you work less than a full week.

If you are an exempt employee, in any workweek in which you performed any work, your salary will not be reduced for any of the following reasons: 1) partial day absences for personal reasons, sickness or disability; or 2) your absence because the facility is closed on a scheduled work day; or 3) your absence because of the County's operating requirements; or 4) absences for jury duty, attendance as a witness, or military leave in any week in which you have performed any work; or 5) any other deductions prohibited by state or federal law.

If you have questions about deductions from your pay, please immediately contact your supervisor. If you believe you have been subject to any improper deductions or your pay does not accurately reflect your hours worked, you should immediately report the matter to County Administration located in the courthouse basement or call the Supervisor at (903) 438-4009. If you are unsure of who to contact or if you have not received a satisfactory response within five business days after reporting the incident, please immediately contact the County Attorney located at 128 Jefferson, Suite B or call (903) 438-4020. Every report will be fully investigated and corrective action will be taken where appropriate, up to and including discharge for any employee(s) who violates this policy. In addition, the County will not allow any form of retaliation against individuals who report alleged violations of this policy or who cooperate in the County's investigation of such reports. Retaliation is unacceptable, and any form of retaliation in violation of this policy may result in disciplinary action, up to and including termination.

Internal Revenue Service (IRS) FRINGE BENEFITS

Hopkins County will comply with the IRS with regard to fringe benefits such as county uniforms, county vehicle usage and day-trip meals. You may be responsible for paying payroll taxes on such fringe benefits.

Hopkins County complies with the Fair Labor Standards Acts as outlined in the Fair Labor Standards Safe Harbor policy.

Law Enforcement and Fire Protection personnel are treated in accordance with the 207(k) exemption under the Fair Labor Standards Act. The Commissioners Court has adopted this exemption.

All non-exempt County employees shall be paid an hourly wage.

Some employees may have the classification of hourly employees paid on a salary basis, but they remain non-exempt for FLSA purposes. For full time non-exempt employees, the monthly salary compensates the employee for all hours worked up to 40 in each workweek of the month.

For part time regular employees, the monthly salary compensates the employee for all hours worked in each workweek of that month up to the amount designated by the County for the position.

Temporary employees shall be paid hourly at least the minimum wage established by the Fair Labor Standards Act, as amended.

LONGEVITY PAY

ELIGIBILITY

All full time regular employees and elected officials shall be eligible for the longevity pay benefit.

An employee shall be required to work a minimum of two continuous years in an eligible position before receiving longevity pay with no break in service time.

AMOUNT

The schedule for Longevity pay is: \$100 per year of service after completing two years of service with a maximum number of years being 25 years. The formula is as follows:

Number of years x \$100 = amount of payment – to be paid toward the end of the year.

Example follows:

Minimum number of years:

$$2 \text{ years} = \$100 \times 2 \text{ years of service} = \$200.00$$

Maximum number of years:

$$25 \text{ years} = \$100 \times 25 \text{ years of service} = \$2500.00$$

If an employee terminates or gives notice of termination of employment with the county prior to the established lump sum payment date, s/he will not receive a longevity payment. No pro-rated payments will be given.

PAYROLL DEDUCTIONS

Deductions shall be made from each employee's paycheck for federal withholding, social security, Medicare, and any other deductions required by law. Employees eligible for membership in the Texas County and District Retirement System shall have their contributions to that system deducted from each paycheck. Any optional deduction authorized by the Commissioners' Court and approved by the employee shall also be made from the employee's paycheck. No optional deduction shall be made from an employee's paycheck unless the employee turns in written authorization for the deduction to the County Administration Office.

WORK WEEKS AND WORK PERIODS

For purposes of recordkeeping and to determine overtime in compliance with the Fair Labor Standards Act (FLSA), the workweek for Hopkins County shall begin at 12:01 a.m. on each Monday and end seven (7) consecutive days later (168 hours). Law Enforcement employees who fall under the FLSA 207(k) exemption shall have a work period of 14 days and 86 hours as established by the Hopkins County Commissioners Court. Fire Protection employees who fall under the FLSA 207(k) exemption shall have a work period of 14 days and 106 hours.

TIMESHEETS

Each employee must fill out a time sheet to be turned in to their supervisor on the last day of each pay period. Failure to complete a timesheet may result in an employee only receiving minimum wage payment until the proper time sheet has been completed and turned into the payroll department. All corrections will be made on the next regularly scheduled payroll. The time sheet prepared by the employee shall show an accurate record of all time worked and leave taken, whether paid or unpaid, for the pay period.

Time sheets are governmental documents and as such require accurate and truthful information. Falsifying a time sheet, a governmental record is a criminal offense.

PAY PERIODS

The pay period for Hopkins County shall be a bi-weekly pay period with the pay period dates established by the Commissioners' Court. If a payday falls on a holiday or a weekend, paychecks shall be issued on the last workday immediately preceding the holiday or weekend.

WORK SCHEDULES

The normal hours of work for most positions in the County shall be from 8:00 a.m. until 5:00 p.m., Monday through Friday. Each department head shall determine the exact working schedules for their employees. In order to meet the needs of the County, certain departments or employees may be required to work a schedule that varies from the normal work schedule, or they may be subject to call back in case of emergency or special need.

TIME CLOCK POLICY

As a Hopkins County employee, your primary responsibility is to serve the people of Hopkins County and to assure our tax payers that your time is well managed. All employees classified as non-exempt under the Fair Labor Standards Act (FLSA) shall clock in using the county's automated time keeping system; employees classified as exempt under FLSA are not required to do so. However, an elected official or department head may instruct employees classified as exempt under FLSA to clock in using the county's automated time keeping system so long as the employee's compensation is not reduced.

Employees are required to clock out any time they leave the work site for any reason other than assigned work duties.

Employees must clock in and out at their designated duty station. Each employee is required to submit their time at the end of each pay cycle. If for any reason you do not clock in and out, you must provide a signed time sheet of your hours.

By submitting your Kronos time sheet each pay period, you are stating that these are the hours that you worked and this should count as your signature that you approve your time and that it is true and correct. Hopkins will not tolerate time sheet fraud and department heads, elected officials as well as the employee may be filed on for theft of time.

Depending on the department procedures, time recorded will be the work-time paid or employees will be paid from time sheets verified by actual recorded times. Any adjustments to the recorded time must be approved by the employee's supervisor. Managers will be accountable to their department head for any manual changes submitted.

Unless a department is utilizing a system with an automatic lunch deduction, employees must clock out for their designated lunch time
Except in emergency circumstances, prior permission to work overtime should be approved by the department manager.
If you work within a department that does not utilize Kronos software, you must turn in a signed time sheet. (Road & Bridge)

Employees that report to duty where there is a computer to clock in and out on, MUST clock themselves in and out. Should you forget to clock in, the treasurer's office will need something in writing as to why the time had been edited or altered.

NUMBER OF HOURS WORKED Department heads may determine the number of hours worked by an employee for the compensation to be received subject to laws governing working hours and subject to the provisions of the County budget and approved salary schedules. Unbudgeted overtime and compensatory time must be strictly limited and controlled by each department head. Any failure to properly control employee time within budgetary constraints will be viewed with disfavor in the setting of future budgets. All non-exempt full time employees must use benefit time as needed to meet the required hours. No leave without pay will be granted unless all benefit time is exhausted.

Violations of these procedures may result in disciplinary actions; including oral or written warnings, suspension without pay and/or termination. Under no circumstance may one employee clock in or out for another employee.

Updated 2022

HOURS WORKED

Hours worked shall include all time actually spent in the service of the County as defined in the Fair Labor Standards Act (FLSA) and its regulations. The workday for the County shall begin at 12:01 a.m. each day and end 24 consecutive hours later.

2A-12 LAW ENFORCEMENT & FIRE PROTECTION PAY AND OVERTIME

Hopkins County Commissioners Court has adopted the 207(k) exemption under the Fair Labor Standards Act for law enforcement employees, which includes deputies and jailers. These employees have a work period of 14 days and overtime will be due after 86 hours actually worked. The employee must account for 80 hours each work period or they must use sick, vacation or compensatory time. If out of leave time they will be paid for each hour actually worked. Law enforcement employees' salary covers all hours up to 86 hours. Paid leave shall not be counted in determining if overtime has been worked in any workweek. Except in emergency situations, an employee shall be required to have authorization from their supervisor before working overtime.

Fire Protection employees also fall under the adopted 207(k) exemption. These employees have a work period of 14 days and overtime will be due after 106 hours actually worked. The employee must account for 96 hours each work period or they must use sick, vacation or compensatory time. If out of leave time they will be paid for each hour actually worked. Fire Protection employees' salary covers all hours up to 106 hours. Paid leave shall not be counted in determining if overtime has been worked in any workweek. Except in emergency situations, an employee shall be required to have authorization from their supervisor before working overtime.

OVERTIME CALCULATIONS AND RULES

Overtime shall include all time actually worked for the county in excess of 40 hours in any workweek, with the exception of law enforcement and Fire Department(See policy on "Law Enforcement and Fire Protection Pay and Overtime").

Paid leave shall not be counted in determining if overtime has been worked in any workweek. Except in emergency situations, an employee shall be required to have authorization from his/her supervisor before working overtime.

Overtime compensation shall be paid in the form of compensatory time off in accordance with the provisions of the FLSA. Covered employees shall receive

paid compensatory time off at a rate of one and one-half (1 ½) times the amount of overtime worked.

The maximum amount of unused compensatory time an employee shall be allowed to have at any one time is 40 hours. When an employee has reached the maximum accrual of compensatory time, any additional overtime worked shall be compensated at a rate of one and one-half (1 ½) the employee's regular rate of pay until compensatory time has been used to bring the balance below the maximum.

Employees shall be allowed to use earned compensatory time within a reasonable period after it is requested provided that the employee's absence will not place an undue hardship on the operations of the department in which the employee works. Compensatory time may be used for any purpose desired by the employee with supervisor approval. Hopkins County shall have the right to require employees to use earned compensatory time at the convenience of the county.

If an employee terminates employment, for any reason, prior to using all earned FLSA compensatory time, they shall be paid for all unused compensatory time as the department budget allows or in accordance with the requirements of the FLSA.

Hopkins County shall retain the right to "buy back" all or part of an employee's unused compensatory time by paying the employee for that time at the employee's current regular rate. Hopkins County shall retain the right to pay all or part of the overtime worked in any workweek by paying for that overtime at one and one-half (1 ½) the employee's regular rate of pay.

Each employee shall be responsible for recording any compensatory time used within a pay period on the time sheet for that pay period.

EXEMPTIONS

County employees that work "Elections" under the direction of the County Clerk/Election Administration shall be paid at an hourly rate of their normal salary at time and a half. This shall be considered as overtime pay in lieu of compensation time. The expense of the "Elections Workers" will be charged to the ELECTION.

Election Administration/Site Support position pay shall be set at a straight hourly rate set by the County Clerk and Commissioners' Court. This shall be considered as overtime pay in lieu of compensation time. The expense of the position of Election Administration/Site Support will be charged to Elections.

DEMOTIONS

Demotions are the movement of an employee from one position to another with a decreased responsibility or complexity of job duties or to a lower salary. Elected officials, appointed officials or department heads may choose to demote or re-assign any employees who are unable to meet performance requirements, for disciplinary reasons or for any other reason as deemed necessary by the official. Upon demotion, an employee's salary may be adjusted downward.

TRANSFERS

Transfers are the lateral movement of an employee from one position to another with the same responsibility or complexity of job duties with no change in salary. Elected officials, appointed officials or department heads may transfer an employee in their department to a vacant position. All transfers must be handled in accordance with the budget adopted by Commissioners Court.

PROMOTIONS

Promotions are the movement of an employee from one position to another with an increased responsibility or complexity of job duties, and to a higher salary. Elected officials, appointed officials or department heads may promote an employee in their department to a vacant position. All promotions must be handled in accordance with the budget adopted by Commissioners Court.

SEPARATIONS

A separation shall be defined as any situation in which the employer-employee relationship between the County and a County employee ends. All separations from Hopkins County shall be designated as one of the following types:

1) resignation; 2) retirement; 3) dismissal; 4) reduction in force; or 5) death.

A resignation shall be classified as any situation in which an employee voluntarily leaves his/her employment with Hopkins County and the separation does not fall into one of the other categories. Employees who are resigning should submit a written notice of resignation to his/her supervisor.

A retirement shall be any situation in which an employee meets the requirements to collect benefits under the County's retirement program and voluntarily elects to leave employment with the County to do so. An employee who is retiring should notify his/her supervisor of that intent at least 30 days prior to the actual retirement date to help prevent delays in starting the payment of retirement benefits.

A dismissal shall be any involuntary separation of employment that does not fall into one of the other categories of separation. Hopkins County is an "at will" employer and a supervisor may dismiss an employee at any time for any legal reason or no reason, with or without notice.

An employee shall be separated from employment because of a reduction in force when his/her position is abolished or when there is a lack of funds to support the position or there is a lack of work to justify the position.

A separation by death shall occur when an individual dies while currently employed by the County. If an employee dies while still employed by the County, their designated beneficiary or estate shall receive all earned pay and payable benefits.

RETIREE REHIRES

TCDRS requires at least a full calendar month break in service with no pre-arranged return.

Retired employees shall be eligible to apply for open positions with Hopkins County as long as the following provisions are met: 1) The retiree has been retired for at least 1 full calendar month, 2) No prior arrangement or agreement was made between Hopkins County and the retiree for re-employment, and 3) strict adherence to normal leaving employment procedures were followed at the time of the employee's retirement.

The retiree must have a bona fide separation of employment and have been retired for a minimum of 1 full calendar month. A bona fide separation means there is no prior agreement or understanding between County and the retiree that the retiree would be rehired after retirement. According to Rule 107.4 adopted by the TCDRS Board of Trustees, restrictions apply to elected officials, people employed for the same or different position in the same or different department, employee status changes, and independent contractors.

Newly elected officials who have recently retired from the county cannot draw their retirement because they have an arrangement to return to work for the county. Employees also cannot retire with an agreement to go work in a different department or different position. Changing employee status does not matter when determining if someone is still working for the county.

Also, an employee cannot retire from the county with an arrangement to begin work as an independent contractor either.

Rehired retirees who did not have a bona fide separation of employment may owe a 10 percent excise tax and be required to repay all of their monthly retirement payments. Abusing the retirement provisions in such a manner would violate a qualification requirement for retirement plans under Section 401(a) of the Internal Revenue Code, potentially resulting in significant tax consequences for the employer, its participating members and those retired employees. Any retiree who meets all other TCDRS requirements, who is rehired consistent with this policy, must establish a new membership with TCDRS and will be considered to be a new member for the purposes of beneficiary determination and benefit selections.

B. EMPLOYEE BENEFITS

HEALTH PLAN

All full time regular employees of Hopkins County shall be eligible for the group medical plan and dental plan benefits. Regular variable hour employees who work an average of thirty (30) or more hours a week in the measurement period will be eligible for health insurance after the measurement period. Regular part time, temporary seasonal, temporary short term part time, and regular variable hour employees who work an average of less than thirty (30) hours a week in the measurement period will not be eligible for health insurance.

Premiums for the coverage for eligible employees shall be paid entirely by the County.

Eligible employees may cover their qualified dependents by paying the full premium for the dependents. Deductions for dependent coverage shall be made through payroll deduction from the employee's paycheck each pay period.

Details of coverage under the group medical insurance plan and dental plan are available in the County Administration Office and may be obtained during the normal working hours for that office.

Except in situations where the employee is unable to return to work because of the serious medical condition of the employee or an eligible family member, or other situations beyond the control of the employee, an employee who does not return to work after using the maximum leave allowed under this policy shall be required to reimburse the County for all medical premiums paid by the County while the employee was on leave without pay.

While on leave without pay under this policy, an employee shall not earn vacation, sick leave, be eligible for holidays, or earn other benefits afforded to employees actively at work, except for those stated in this policy.

Employees who are out on approved FMLA may not take trips outside of the county unless the travel is related to the employees own serious health condition, the serious health condition of the child, spouse or parent of the employee or to attend qualifying military events. Employees may ask for permission from their immediate supervisor to take other trips outside of the county and supervisors may grant employee requests at their discretion.

Any area or issue regarding family and medical leave which is not addressed in this policy shall be subject to the basic requirements of the Federal Family and Medical Leave Act (FMLA) and the regulations issued to implement it.

The County may send out to an employee who has been out for 3 or more days a Medical Certification to determine the employees FMLA eligibility. The employee should have their physician complete and return the certification within 15 days of receipt to be eligible for FMLA. Failure to return the medical certification may result in denial of FMLA. Employees will be required to provide a Fitness-for-Duty certification prior to returning to work.

Military Family Leave

Under the MFL, there are two types of leave available: 1) a qualifying exigency leave; 2) leave to care for a covered service member; or 3) to care for a covered veteran who is undergoing medical treatment, recuperation or therapy, for a serious injury or illness and who was a member of the Armed Forces (Regular, Reserve, or National Guard).

Qualifying Exigency Leave

Eligible employees may be entitled to use up to 12 weeks of their FMLA leave entitlement to address certain qualifying exigencies. Leave may be used if the employee's spouse, son, or daughter, in the Armed Forces (Regular, Reserves or National Guard) is on active duty or called to active duty status in a foreign country. Qualifying exigencies may include: 1) short-notice deployment (up to 7 days of leave); 2) attending certain military events and related activities; 3) arranging for alternative childcare; 4) addressing certain financial and legal arrangements; 5) periods of rest and recuperation for the covered military member (up to 5 days of leave); 6) attending certain counseling sessions 7)

attending post-deployment activities (available for up to 90 days after the termination of the covered military member's active duty status); 8) other activities arising out of the covered military member's active duty or call to active duty in a foreign country and agreed upon by the county and the employee; 9) attending family support or assistance programs and informational briefings; 10) to act as the covered military member's representative before a governmental agency; 11) to address issues that arise from the death of a covered military member while on active duty status in a foreign country; 12) other activities arising out of the covered military member's active duty or call to active duty in a foreign country and agreed upon by the county and employee.

Military Caregiver Leave

Eligible employees may take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is either a current member of the Armed Forces (Regular, Reserve or National Guard) or a veteran of the Armed Forces (Regular, Reserve, or National Guard).

An eligible employee may take up to 26 weeks of leave to care for a covered service member of the Armed Forces (Regular, Reserve, or National Guard) who has been rendered medically unfit to perform his or her duties due to a serious injury or illness incurred in the line of duty while on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

An eligible employee may take up to 26 weeks of leave to care for a veteran (Regular, Reserve, or National Guard) who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness and who was a member of the Armed Forces (Regular, Reserve or National Guard) at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation or therapy. This leave entitlement is applied on a per-injury basis such that an eligible employee may be entitled to take more than one period of 26 workweeks of leave if the leave is to care for different covered service members or covered veteran with a subsequent serious illness or injury, except that no more than 26 workweeks may be taken within any single 12 month period.

Eligible employees may begin taking military caregiver leave up to five years after their family member was discharged or released from the military. The eligible employee's first date of leave must be within the five year period; however, the employee may continue to take such leave throughout the single 12-month period that is applicable to military caregiver leave, even if the leave extends beyond the five-year period.

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations.

Intermittent Leave

Leave because of a serious health condition, or either type of Military Family leave may be taken intermittently (in separate blocks of time due to a single health condition) or on a reduced-schedule leave (reducing the usual number of hours worked per workweek or workday) if medically necessary. Military leave due to qualifying exigencies may also be taken on an intermittent basis. If leave is unpaid, the county will reduce the employee's salary based on the amount of time actually worked. In addition, while an employee is on an intermittent or reduced-schedule leave, the county may temporarily transfer the eligible employee to an available alternative position that better accommodates the recurring leave and which has equivalent pay and benefits.

Leave may not be taken on an intermittent basis when used to care for the employee's own child during the first year following birth, or to care for a child placed with the employee for foster care or adoption, unless both the employer and employee agree to such intermittent leave.

Substitution of Paid Leave

Hopkins County requires substitution of paid leave for all FMLA or MFL events. Employees must follow the vacation and sick policy guidelines. Employees also must use all of the earned compensatory time for FMLA or MFL events prior to using accrued vacation or sick leave. The balance of Family Medical Leave is unpaid leave. FMLA and MFL run concurrently with all substituted paid leave, including Workers' Compensation leave.

Health Insurance Benefits

During an approved Family Medical Leave, the county will maintain the employee's health benefits as if the employee continued to be actively employed. If paid leave is substituted for unpaid family medical leave, the county will deduct the employee's portion of the health plan premium as a regular payroll deduction. If leave is unpaid, the employee must pay his or her portion of the premium through County Administration Department. An employee's healthcare coverage will cease if the employee's premium payment is more than 30 days late. If the employee elects not to return to work at the end of the leave period, the employee will be required to reimburse the county for the cost of the premiums paid by the county for maintaining coverage during the unpaid leave, unless the employee cannot return to work because of a serious health condition or other circumstances beyond the employee's control.

During FMLA leave, the employer will maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of the employee's leave.

Return from FMLA Leave

Upon return from FMLA leave, eligible employees will be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. An eligible employee is not guaranteed the actual job held prior to leave.

Notice

If the need to use FMLA leave is foreseeable, the employee must give the county at least 30 days' prior notice of the need to take leave. When 30 days' notice is not possible, the employee must give notice as soon as practicable (within 1 or 2 business days of learning of the need for leave except in extraordinary circumstances). Failure to provide such notice may be grounds for delaying the start of the FMLA leave.

Whenever possible, requests for FMLA leave should be submitted to Hopkins County Administration Department. When submitting a request for leave, the employee must provide sufficient information for the county to determine if the leave might qualify as FMLA leave, and also provide information on the anticipated date when the leave would start as well as the duration of the leave. Sufficient information may include that the employee is unable to perform job functions; that a family member is unable to perform daily activities; that the employee or family member needs hospitalization or continuing treatment by a healthcare provider; or the circumstances supporting the need for military family leave. Employees also must inform the county if the requested leave is for a reason for which FMLA leave was previously taken or certified.

Employees also will be required to provide a certification and periodic recertification supporting the need for leave.

When an employee requests leave, Hopkins County will inform the employee whether they are eligible under the FMLA or MFL. If the employee is eligible, the employee will be given a written notice that includes details on any additional information he or she will be required to provide. If the employee is not eligible, the county will provide the employee with a written notice indicating the reason for ineligibility. If leave will be designated as FMLA or MFL protected, the county will inform the employee in writing and provide information on the amount of leave that will be counted against the employee's 12 or 26 week entitlement.

If the employee is requesting leave because of the employee's own or a covered relation's serious health condition, the employee and the relevant healthcare provider must supply appropriate medical certification. Employees may obtain Medical Certification forms from Hopkins County Administration Department.

When the employee requests leave, the county will notify the employee of the requirement for medical certification and when it is due (no more than 15 days after the employee requests leave).

If the employee provides at least 30 days' notice of medical leave, they should also provide the medical certification before leave begins. Failure to provide requested medical certification in a timely manner may result in denial of leave until it is provided. The county, at its expense, may require an examination by a second healthcare provider designated by the county, if it reasonably doubts the medical certification initially provided. If the second healthcare provider's opinion conflicts with the original medical certification, the county, at its expense, may require a third, mutually agreeable, healthcare provider to conduct an examination and provide a final and binding opinion.

The county may require subsequent medical recertification. Failure to provide requested certification within 15 days, except in extraordinary circumstances, may result in the delay of further leave until it is provided.

If an employee takes leave because of the employee's own serious health condition or to care for a covered relation, the employee must contact the county each month regarding the status of the condition and his or her intention to return to work. In addition, the employee must give notice as soon as practicable (within 2 business days, if feasible) if the dates of the leave change, are extended, or were unknown initially.

LEAVE OF ABSENCE - OTHER

Employees may request a personal leave of absence to a maximum of 24 hours. Personal leaves of absence may include reasons such as extended vacations, continuing education, extended bereavement, or other personal matters.

Personal leaves of absence are granted solely at the discretion of the elected official, appointed official or department head. Employees on personal leaves of absence are converted to an inactive status and do not accrue any benefits.

Employees may continue the county health plan but they are responsible for the entire premium, which includes both their portion and the county portion. The employee must pay for the premium on the first of each month, lack of payment will result in medical plan termination and the employee will become eligible for COBRA. Return to work on a personal leave of absence is not guaranteed and is subject to current business conditions and an appropriate job opening.

After 6 months of employment all full-time regular employees shall be eligible for 24 hours personal leave each calendar year. These hours are designed to be used in the event of a death, illness of family member or other personal emergencies/business. Each Department Head will approve each request and will maintain records in their office. Failure to use personal leave shall not cause the county to make any payment for such time not utilized and shall not be cumulative in nature.

Personal time cannot be used as a gap to complete a final time period of work or during the final 2 weeks, employee cannot apply any remaining personal time to the final pay period

HOLIDAY PAY

The following employee classifications shall be eligible for the holiday benefit: full time, regular scheduled part time. These employee classifications shall not be eligible for the holiday benefit: seasonal, temporary, on call, as needed part time. Full time shall receive 8 regular straight hours and regular scheduled part time employees shall receive their regular scheduled hours paid at straight time.

The County holidays shall be determined by the Hopkins County Commissioners' Court. If the holiday falls on a work day that requires a department to attend work, the Commissioner's Court and Elected Official can designate the following business day as a holiday in lieu of the approved holiday.

If a paid holiday occurs during the vacation of an eligible employee, that day shall be paid as a holiday and not be charged against the employee's vacation balance. An employee shall not be allowed to take a day off with pay prior to a holiday in anticipation of working on the holiday. Special consideration shall be given to employees requesting time off for religious or other special observances which are not designated as paid holidays for Hopkins County. Each supervisor is responsible for granting this leave based on the needs of their individual departments. Vacation, compensatory time, or leave without pay may be used for special leave granted.

An eligible regular full time employee (non 207k exempt or dispatch) called in to work on a holiday because of an emergency, or other special need of the County shall be paid straight hours worked in addition to holiday pay. These hours will not count towards comp time or overtime hours.

Shift employees classified as "fire or law enforcement" who fall under the 207k exemption per FLSA, as well as dispatch employees will be compensated for the county's holidays in lieu of time off. Depending on the number of approved county holidays, each eligible employee will be paid the equivalent of a day's pay over the course of 26 pay periods. This will be calculated off of the employee's base pay. No additional compensation will be paid.

Example: number of county approved holidays x hourly base rate paid over 26 pay periods.

If an employee is off due to worker's compensation the holiday pay will not be paid. If the employee is off due to FMLA leave the holiday will not be paid.
